"Making the world a safer place.....One step at a time"

Equipment

Cleaning tools and accessories developed and tested to compliment the SureGrip product line.

Proportioning Systems

Mobile Proportioning System

Newest technology that allows the proportioning system to attach directly to the SureGrip Daily Cleaner jug eliminating the need of a wall mounted system.

4000

One Button Proportioning System

Stainless steel wall mounted proportioning system. SureGrip Daily Cleaner is dispensed at the proper dilution by the touch of a button. Helps control cost and minimize waste.

4001

Two Button Proportioning System

Stainless steel wall mounted proportioning system. Unit offers two buttons for different dilution rates. This model is used in locations that are using SureGrip Daily Cleaner as a floor cleaner as well as an all-purpose general cleaner.

4002

Foam Gun, Hot Water Hose

SureGrip Foam Gun

Attaches to the end of a hose and creates a foam solution, eliminating time and hassle of mixing concentrates while minimizing waste. Includes container, lid and quick disconnect set.

4500

SureGrip Foam Gun Nozzle

Heavy-duty spray nozzle. Ergonomic design is insulated for hot water.

4501

SureGrip Foam Gun Disconnects

Quick-Disconnect set, includes 1 female and 2 male pieces. Makes changing hose attachments a breeze.

4502

SureGrip Foam Gun Station

Foam Gun Station attaches to wall and includes step by step instructions with pictures. Station also holds our deck brush.

4505

Hot Water Hose

50' water hose with brass fittings. Rated for hot water up to 200 degrees F and 200 psi.

4600

Buckets, Mops, Handles, and Cloths

Sidepress Mop Bucket Combo

26-35 Qt Sidepress mop bucket combo. Splash guard water vents help prevent spilling. Non marring wheels. Includes molded-in liter and gallon graduation marks to measure fill level. Single handle allows for heavy loads to be lifted and side includes universal wet-floor logo.

Special order available in blue, green, and red.

Grey # 5011
Yellow # 5010

Microfiber Mop Heads

Microfiber mop head. Densely packed fibers absorb up to seven times it's weight in water. Microfiber mops clean better and have a lifespan of 10x that of a cotton mop.

Medium # 5505
Large # 5506

Mop Handles

60" Quick release fiberglass mop handle. Thumb release on the side allows replacement without touching the mop head.

Blue # 5252
Yellow # 5253

Microfiber Rags

Microfiber cloths that accumulate and absorb particles better than any other fabric, providing superior cleaning power.

5507

Brushes, Brooms, and Dust Pans

Deck Brush

High quality 10" dual surface deck brush with blue polypropylene bristles. The split-shape is efficient for cleaning flat surfaces, under counters, around equipment and along baseboards. Synthetic wood grain metal handle with 5/16" diameter metal tip. Metal handle and tip offer superior resistance to breakage and wear while still offering excellent control.

Brush # 6251
Handle # 6252

Tile Brush

9" handheld tile and grout brush used for effectively removing stubborn stains from grouted tile.

6253

Broom

Large angle broom with 14" sweeping surface and a 1" thick strong steel handle for indoor and outdoor use.

6501

Swivel Pad

Blue general purpose cleaning pad aids in the removal of grease build-up.

Attaching pad to the swivel holder offers superior cleaning power and ease of movement to clean baseboards, floors, and equipment.

Swivel pad Complete # 6254
Pad Refill (5) # 6255

Dust Pan

Utility Dust Pan 12" wide rubberized plastic dustpan

6502

Upright Dust Pan

12" Duo-Pan Plastic Upright Dustpan with Metal Handle

6503

Squeegees, Wet Floor Signs

30" Squeegee

30" Red oil resistant squeegee. Newest technology offers a smartfit handle system, use any handle to attach to the universal power socket. Requires up to 200 lbs of force to pull handle from socket. Can withstand up to four times more stress than other squeegees. Color coding disk help prevent cross contamination.

6001

22" Squeegee

22" Heavy duty squeegee. Smartfit system allows connection to any handle. Offers same force resistance as 30" squeegee but smaller size for access to tighter more confined areas. Color coding disk help prevent cross contamination.

6002

Wood Handle

Wood Handle 60" long, 1 1/8" diameter, with tapered end that allows for easy connection to squeegee frame.

6003

Wet Floor Sign

25' Wet floor sign with handle. Professional quality and two-sided contoured feet to minimize contact with floor.

7501

Wet Floor Sign

20" pop up wet floor sign, visible from three sides. Includes server station wall mount holder for easy access and storage.

7502

Spray Bottles and Labels

Spray Bottle

32 oz. Spray bottle with SureGrip Daily Cleaner label. For using SureGrip as a general purpose cleaner.

General Purpose # 4201
Foamer # 4203

5 gallon bucket label

SureGrip Daily Cleaner 5 gallon bucket Label. Label measures 8" x 4".

8001

Chemical Box Label

SureGrip Daily Cleaner chemical box label. Label includes service and contact information. Label measures 8" x 4".

8002

Products

Cleaning solutions designed to increase traction and enhance the safety of your walking-working surfaces.

SureGrip Daily Cleaner is the first line of defense in the battle of slippery floors. Unlike most cleaner-degreasers, it is alkaline free. Although alkaline cleaners are known for their grease cutting attributes, the residue they leave behind will turn a wet floor into a serious slip hazard. Our daily cleaner emulsifies and suspends soil, grease and other contaminants, lifting from deep in the microscopic pores of the floor surface. Once the grease is emulsified, it can easily be extracted or rinsed away leaving the floor surface residue-free. When SureGrip Cleaner is used daily it will reduce the occurrence of polymerization, greatly improving surface traction.

1 case 4/1 # 3004
5 gallon # 3005
55 gallon # 3055

SureGrip Floor Treatment features a revolutionary new process that molecularly enhances the surface of ceramic tile, quarry, concrete and other mineral flooring. Traction is increased by raising the co-efficient of friction resulting in a safer floor, especially under wet conditions. When used as part of a complete floor safety program the treatment will last for more than three years. SureGrip Treatment formula can help you meet OSHA and ADA guidelines for floor safety.

2004

SureGrip Restorative Cleaner is our heavy duty formula. It's a butyl product that is ideal for using on the most demanding applications. This product combines the best in water based detergent chemistry with a powerful solvent system to provide excellent all around performance where only a solvent based cleaner is typically used. The high dilution formula is excellent for use as a restorative cleaning product.

1004

SureGrip takes great pride in finding, testing, and recommending only the industries most proven equipment, furthering our commitment to providing the best value for our customers.
