

RESTORE

**Restorative Cleaner/
Treatment Neutralizer**

SureGrip Restorative Cleaner is our heavy duty formula. It's a butyl product that is ideal for using on the most demanding applications. This product combines the best in water based detergent chemistry with a powerful solvent system to provide excellent all around performance where only a solvent based cleaner is typically used. The high dilution formula is excellent for use as a restorative cleaning product.

Recommended uses:

- ✓ **All mineral flooring including:**
 - Slate Ceramic
 - Quarry Terrazzo
 - Brick Concrete

For restorative “deep cleaning” only.
The use of this product on a daily basis may result in the decrease of traction on your flooring surface.

DO NOT USE ON ANY SURFACE WITH FLOOR FINISH, SEALER, OR WAX.

Dilution Ratios	
Light Soil: 8oz.per Gallon (1:16)	Heavy Soil: 32oz. per Gallon (1:4)
Neutralizing: 8oz. per Gallon (1:16)
